

Divider Boxes

Add flexibility with dividable containers. Slide-in dividers allows instant container configuration.

Multi-purpose stack-only LEWISBins+ Divider Box Containers can be divided into compartments on 1.25" centers with easy-to-add dividers. Manufactured in high-density polyethylene, these dividable containers are ideal for use in commercial, industrial, electronics and healthcare markets for storage, assembly, fabrication and distribution applications. Divider Boxes are also stocked in ESD-Safe materials.

- > Strong stacking ridge and innovative ribbed walls ensure high performance.
- > Choose from industry standard container sizes.
- > Multiple identification options for added flexibility and efficiency.
- > Load capacity of 40 lbs. per container.
- > Choose from multiple cover styles for product protection.
- > Compatible with many kinds of racking, shelving and material handling equipment.
- > Two Cardholder Snaps included on all DC and NDC series boxes.

Subdivided LEWISBins+ Divider Boxes to increase part protection and prevent part migration. Vertical and Horizontal Dividers are available to maximize efficiency and flexibility. For easy insertion of dividers, NDC containers feature molded-in “no guess” textured divider grid and numbered divider slots. Multiple-height polyethylene dividers are available for all models, excluding DC1025.

Utilize Horizontal Dividers to increase available space for smaller size items by horizontally dividing containers. Vertical Dividers (below) are available in a variety of heights and contoured for easy insertion.

Part Bins | Divider Boxes | Shelf Bins | Hopper Containers | Wire Shelving | Storage Systems

LEWISBins+ manufactures plastic part bins, divider boxes and heavy duty storage totes, which integrate with metal storage systems and wire products. These products reduce linear workspace, improve assembly operations and reduce product damage, for total cost reduction in a single operation or entire supply chain. **For more information, please visit www.lewisbins.com.**
