

Shelf Bins

Rugged plastic Shelf Bins offer long life in workstations, plants and tool rooms.

LEWISBins+ features Shelf Bins available in 6 sizes and 3 colors. Stop replacing worn out corrugated boxes and buy a durable solution that will not break down with time. These long-lasting polypropylene bins are available in industry standard sizes to fit 12", 18" and 24" shelving. Optional dividers slide in easily and lock securely to eliminate part migration. The 12" and 18" bins can accommodate up to 3 dividers and the 24" bin can accommodate up to seven dividers.

12" and 18" Shelf Bins

- > Designed to work with 12" and 18" shelving to enhance inventory control and part organization.
- > Hopper front optimizes part accessibility.
- > Bins nest when empty to save space.
- > These products are also stocked in ESD-safe material.

24" Shelf Bin (SB2404-7)

- > Larger label area (2.0"H x 6.25"W)
- > Larger molded-in ridge allows bin to hang from multiple styles of shelving.
- > Rolled rim to stiffen bin and reduce twist.
- > Secure 2" engagement of DSB24-7 divider eliminates part migration.
