

# DIVIDER BOX CONTAINERS

Multi-purpose stack-only LEWISBins+ Divider Box Containers can be divided into compartments on 1.25" centers with easy-to-add dividers. Manufactured in high-density polyethylene, these dividable containers are ideal for use in commercial, industrial, electronics and healthcare markets for storage, assembly, fabrication and distribution applications. Divider Boxes are also stocked in ESD-Safe materials (see pages 34-35 for details).

- Strong stacking ridge and innovative ribbed walls ensure high performance.
- Choose from industry standard container sizes.
- Multiple identification options for added flexibility and efficiency.
- Load capacity of 40 lbs. per container.
- Choose from multiple cover styles for product protection.
- Compatible with many kinds of racking, shelving and material handling equipment.
- Two cardholder snaps included on all DC and NDC series boxes. Snaps available upon request for DT series.

# DIVIDER BOX COVERS

**Heavy-Duty Snap-On Solid Covers** are durable covers that fit securely on the container to conceal and protect contents.

**Insert Covers** rest inside the container perimeter stacking ridge. These covers are manufactured in clear material for easy visual inspection of contents. Available only for 3000 series.

**Light Duty Covers** sit easily on the container, protecting parts from dust and contaminants. These covers are manufactured in clear PVC material for easy content inspection.

**Heavy Duty Snap-On Clear Covers** fit securely on the container for easy visual inspection of contents.

Choose from our versatile cover styles to protect your product from impact, dust and chemicals throughout your facility.

Divider Box Covers			
Fits Container	Cover Style	Cover Model	Weight (lb)

# VERTICAL & HORIZONTAL DIVIDERS

Subdivide LEWISBins+ Divider Boxes to increase part protection and prevent part migration. Vertical and horizontal dividers are available to maximize efficiency and flexibility. For easy insertion of dividers, NDC containers feature molded-in "no guess" textured divider grid and numbered divider slots. Multiple-height polyethylene dividers are available for all models, excluding DC1025.

Divider Boxes

Utilize **Horizontal Dividers** to increase available space for smaller size items by horizontally dividing containers.

## Horizontal Dividers

Model	Fits Divider Box
DH1000*	DC1025, DC1035, DC1050
DH2000	DC2025, NDC2035, NDC2050, NDC2060, DC2070 and NDC2080
DH3000	DC3050, NDC3060, NDC3080, NDC3120

Available Stocked Colors:  White \* Available on a make-to-order basis. Please call for more information.
