

Divider Boxes

Maximize efficiency with dividers that fit into "no-guess", molded-in channels in Divider Boxes.

DH1000

Subdivide LEWISBins+ Divider Boxes to increase part protection and prevent part migration. Vertical and Horizontal Dividers are available to maximize efficiency and flexibility. For easy insertion of dividers, NDC containers feature molded-in "no guess" textured divider grid and numbered divider slots. Multiple-height polyethylene dividers are available for all models, excluding DC1025.

Utilize Horizontal Dividers (left) to increase available space for smaller size items by horizontally dividing containers. Vertical Dividers (below) are available in a variety of heights and are contoured for easy insertion.

Vertical Divider Compatibility Chart

Container Model	Divider Type	Maximum # of Dividers**	Vertical Divider Height								
			1.9"	2.9"	3.5"	4.3"	4.4"	5.4"	6.4"	7.4"	11.3"
